

**ADCH STUDENT MEMBERSHIP / \$25 YEAR**

Yeah. A mere 25 dollars. That's like three six-packs. A carton of cigarettes. Or an Abercrombie T-shirt that you won't even be wearing two months from now. So we don't want to hear how you can't afford it.

After all, this is your career we're talking about, right? And not to get melodramatic, but joining the Art Directors Club of Houston could be the difference between kickin' ass or getting your ass kicked. So fill out the form on the right and send it in. Today.

You have to be a full-time\* student in good standing (like, who isn't?) majoring in Graphic Design, Commercial Art, Desktop Publishing, Advertising, Marketing, Photography, Illustration, Video and Film Production or any such fields approved by the ADCH Board of Directors (yes, we have one). And if you're not studying any of this stuff, and just want to send us some money, well, that's OK too.

Student memberships are not transferable and student members shall not have the right to vote in elections or hold office in ADCH. If you don't like that, then you should join the club and maybe, just maybe, you could change it. \*Less than full-time students should check with ADCH if you want to join. (Your chances are pretty good of being accepted since you're probably working and have lots of extra money to burn.) Thanks.
